# Kosmos

© Design by Dirk Wynants for Extremis, 2008

Kosmos is inspired by a yacht's cockpit: "When space is limited, like on a boat, we need to be more creative." Kosmos is the alternative to a combination of table, chairs, lounge chairs, sun protection, and so on. All functionalities combined in one!

All our designs are original creations and protected by intellectual property rights.

# Kosmos shade

© Design by Dirk Wynants for Extremis, 2008

We wanted to devise an umbrella that did not stand in the way when it was closed. The original (and patented) innovation is that it simply opens and closes horizontally like a fan... Or a bird's wings. Design by nature!

Creating elegant shade to your pool sofa? The Kosmos square shade is a freestanding umbrella that supports a clean and balanced look while adding ample shade.
