rectangular / 8 ribs

feet / meters
9'10" x 13'1" / 3.0 m x 4.0 m

Code: PE34REAS

Strikingly bold, the Pendulum knows how to make the right impression. Featuring 360° head-turning rotation, effortless opening and closing with a smooth crank system and a magnificent mix of premium quality stainless steel linkages, anodized aluminum and a warm eucalyptus hub. The Pendulum is poised at the pinnacle of cantilever parasols.

The Pendulum's patented canopy clip mechanism has been designed to facilitate the quick and simple attachment and removal of the entire canopy assembly. The canopy is attached with a stay that hooks onto the frame structure and clips the canopy securely into place.

Pendulum

bold & strong side post parasol with 360° rotation & easy canopy removal

Wind Rating: Moderate Wind

Application: Patios, restaurants, hotels, poolside loungers or any area that requires a large shade solution without obstruction from a center umbrella pole.
