Meticulously crafted from the finest grade kiln-dried eucalyptus (sourced only from sustainable forests), laminated for strength, along with premium quality weather-resistant fabrics and high grade stainless steel fittings. The Safari is Woodline's original classic wooden parasol design that proves the warmth of wood is still as popular as ever.

Features include a stainless steel pulley for smooth opening and an easy to remove smart canopy attachment system for seasonal changes or fabric care. The frame construction includes laminated hardwood upper and lower hubs for added strength.

Safari

30 years under its canopy – this is Woodline's original design

Wind Rating: Moderate Wind

Application: Patios, restaurants, hotels, poolside loungers... areas that require a center post umbrella shade solution with an elegant wood finish.

Closed and strapped

Closed with cover bag

The Safari is the ideal market umbrella available with screen or digitally printed branding

Smart canopy attachment system for easy removal for cleaning or changes

Upper hub features dual stainless steel pulley system

Square model with Square Metal Plate Base

Hardwood construction for a classic look

Laminated lower hub for strength and durability
