(Non-Telescopic Pole)

The Swift is a perfect parasol for small seating groups and compact areas like balconies and small gardens. Built with the finest materials available, this lightweight and portable design assures an easy setup and a trouble-free lifespan. The stainless steel pole with optional telescopic function makes it ideal for use over an outdoor table.

The only parasol on the market with a 1 inch stainless steel center pole. The height-adjustable pole option makes it a perfect solution for small spaces and getting your shade closer to your sun lounger, the handy pointed pole end also allows it to be used on the beach.
